Enabling Others To Achieve

This year's proceeds will continue in support of The Jack Project. Help us achieve our goals of supporting youth mental health through empowering our youth and eliminating the stigma surrounding these issues.

Canada's Thompson wins Gold at Sochi

Our support helped her achieve.

Going forward, we are thrilled to be supporting Pamela Ware, an up and coming young diver.

We are also pleased to be supporting Rosie MacLennan, a member of our Craigleith family, and the sole Canadian gold medalist from London 2012.

Along with Rosie, fellow teammate and trampolinist Samantha Sendel will also be a recipient of the foundation. We wish them all the best of luck in their upcoming competitions.

TSLP

Toronto Sport Leadership Program

The Toronto Sports Leadership Program, which enables young people the opportunity, through sport, to gain skills, confidence and experience to help obtain employment and lead their communities.
