

The Sanford McFarlane Family Foundation

With 2014 now complete, it's time to reflect back on a successful year and look forward to 2015. In 2014, we saw our 7th Sanford McFarlane Family Foundation Invitational Golf Tournament on Friday, June 20th at Lora Bay Golf Club. A great group of golfers, good weather, and excellent support by the Lora Bay staff helped to make the day a tremendous success. We would like to thank everyone that came out and supported our event.

Your continued support of The SMFFoundation directly helps The Jack Project. In August 2014, The Jack Project officially became Jack.org (<http://www.jack.org/>) Canada's only national network of young leaders transforming the way we think about mental health. For a generation of young people raised on the internet, social media, and text messaging, the traditional approach to mental health awareness and stigma reduction just isn't working. It's time to think outside the box. Jack.org is the only national network of young leaders transforming the way people think about mental health. With initiatives and programs designed for young people, by young people, we will end stigma in our generation.

Your past support helped Marielle Thompson win Olympic Gold in Sochi, World Cup Overall Winner, and Crystal Globe Winner

We are now thrilled to be supporting Pamela Ware, a young diver from Montreal. In 2014, Pamela had very impressive results in both the 3M and 3M Syncro with Jennifer Abel.

We are also pleased to be supporting trampolinist Rosie MacLennan, the sole Canadian gold medalist from London 2012.

Along with Rosie, fellow teammate and trampolinist Samantha Sendel will also be a recipient of the Foundation.

Your support also goes a long way in helping with our involvement with The United Way in the Toronto Sports Leadership programs, Ballet Jorgen, The Child Life Fund at SickKids Foundation, and others. To find out more about these initiatives, please visit our website at www.smffoundation.com.

Our Upcoming Year

Throughout the year we will keep you updated on our events, but think about dusting off your bikes and start training for the Jack Ride on May 23rd at the Caledon Ski Club, and the Centurion Cycling Ride at Blue Mountain September 18-20th.

Thank You!

Our family once again sends their sincere appreciation to all of you for helping to make a difference by supporting The Sanford McFarlane Family Foundation.
